Dear SDS Mendoza:

We at [Innovations for Poverty Action](#) would like to extend our heartfelt gratitude for your continued support—especially to Sir Freddie Malabayabas, along with all the schools and teachers—for your invaluable contributions to the implementation of the [mEducation](#) program. The time and effort you've invested in making this initiative successful are deeply appreciated.

As we conclude this round of implementation for mEducation, we are eager to learn from the teachers' insights and feedback. We would like to invite them to a **Virtual Debriefing Session on July 16, 2025 (Wednesday)**, where they can share their experiences and explore opportunities for improvement. We will be holding two debriefing sessions, **10:00 AM and 03:00 PM**. Teachers may choose the session that best fits their availability. We hope this flexibility allows everyone a chance to participate and share their insights. We would also be happy to answer any questions that they may have. Their perspective is crucial in helping us refine and enhance the program.

They register through this link on or before July 15, 2025 (Tuesday):
