1. This is in reference to the communication from the Philippine Science High School (PSHS) System dated 28 July 2025, informing us of their school-to-school caravan in the Schools Division of Marinduque from September 1 to 5, 2025. The activity is in line with their nationwide information campaign on the National Competitive Examination (NCE) for incoming Grade 7 students for AY 2025-2026.

2. In view of this, all concerned public elementary school heads, particularly those with Grades 6 pupils, are requested to accommodate and extend necessary assistance to the PSHS Orientation Team who will visit the following municipalities:

Team 1	Team 2
Mogpog, Boac, Gasan	Sta. Cruz, Torrijos, Buenavista
Eva Marie Ibe	Allyana Almonte
Ed Briones	Jean Anne Dagoy
Martin Simbulan	Edmund Collado

3. The orientation aims to inform learners about the scholarship opportunities and specialized STEM curriculum offered by the PSHS. School Heads are advised to coordinate closely with the visiting team and ensure that selected pupils (especially those academically inclined in Science and Math) attend the orientation sessions.

4. For the attendance of Grade 6 pupils, the concerned school heads must ensure that the target competencies for the week are covered.

5. For further details or questions, you may directly contact the PSHS Admissions Office via email at [admissions@pshs.edu.ph](mailto:admissions@pshs.edu.ph) or phone at (02) 8939-7747 local 500.
6. Immediate dissemination of the contents of this Memorandum is desired.
