SUBJECT: Conduct for a Public Program at schools

Dear **DR. MENDOZA:**

With our commitment to providing dynamic public programs and services that are accessible to everyone, we will be conducting the **"Kaalaman at Pamana: A Community Learning and Heritage Experience."** The team from the National Museum-Marinduque will bring the museum closer to the public by conducting a museum orientation which includes introduction of museum's mandate, policies and guidelines, its services, and a short discussion on conservation and preservation. To supplement the discussion, we will also be bringing printed images of some of our museum collections as well as scaled model of the museum building and a complete Moryon costume to be displayed.

In line with this endeavor and in support of the UN's Sustainable Development Goals 4 – Quality Education, we are asking for your endorsement to conduct this activity to selected schools in the municipalities of Mogpog, Boac, and Gasan. The selected schools are based on proximity to the museum, visitor statistics, and logistics. The initially identified schools are as follows:

Mogpog	Boac	Gasan
Mogpog Central School	Marinduque National HS Boac South Central School Poras Elementary School	Bangbang National HS Masiga Elementary School

**The list may change depending on the availability of the identified schools and/or the museum and possible requests from other schools*

The proposed date to conduct the activity in your institution is from **September to November 2025**, from 8 AM to 5 PM with 1 hour ingress and egress. Multiple sessions/batches of orientation is possible upon the request of the partner institution.

For further details of this activity, you may contact us thru 09190779858 (office) / 09053648125 (Marco) or email us at marinduqueromblon@nationalmuseum.gov.ph

We are looking forward to this partnership in raising awareness of the importance of cultural conservation and preservation.

Very truly yours,

AR. MARJONIER M. MALABANAN
