**THEME: "NAGKAKAISANG BAYAN NG MARINDUQUE:
SAMA-SAMANG LAKAS, DISIPLINA, AT KAHUSAYAN"**

MUNICIPALITY OF SANTA CRUZ | NOVEMBER 17-20, 2025

SDO MARINDUQUE PROFILE

Marinduque is a heart-shaped island and the smallest province in MIMAROPA Region. It is composed of only six municipalities namely Boac, Mogpog, Santa Cruz, Buenavista, Torrijos and Gasan. The major economic activities in the province are farming, fishing, small-scale industries, and tourism which showcases old Spanish houses, beautiful churches, pristine beaches and spectacular mountain view.

The province has a land area of 952.58 square kilometers characterized by undulating hills, valleys, and sheer seaside cliffs, interspersed with patches of flatland on different parts of the island.

Marinduque, as a Schools Division, has 9 schools districts with 181 public and 10 private elementary schools, 2 integrated schools, 47 public and 15 private secondary schools, 1 SUC (total of 226 schools) and 114 Community Learning Centers which serve as the second home to 60,050 learners in formal education and 1,134 learners in Alternative Learning System. These learners are nurtured and served by a workforce of 3,290 composed of 2,747 teaching and 543 non-teaching personnel led by the Schools Division Superintendent, Dr. Lynn G. Mendoza and Asst. Schools Division Superintendent, Dr. Mabel F. Musa.

The Schools Division of Marinduque has long been standing and serving the Marinduqueño learners for more than a century, marking its celebration of its 102nd Founding Anniversary last November 2022. Looking back at its rich historical background, it was June 1901 when the first establishment of the Educational System was recorded in the Province of Quezon formerly called Tayabas. Sir Harrison S. Korrick was the first Division Superintendent holding Cavite, Batangas, Tayabas and Marinduque.

A year after, by virtue of Act No. 423, dated June 23, 1902, the US-Philippine Commission annexed the island of Mindoro, including the island of Lubang (then separated from the Province of Cavite), to the Province of Marinduque where Boac remained as the capital of the consolidated provinces. Four months after, on November 10, by virtue of Act No. 499, Marinduque was made a part of Tayabas (now Quezon). Then, on May 17, 1907 under Act No. 1649, the Commission made Marinduque as sub-province of Tayabas. Finally, on February 21, 1920, Act No. 2880, sponsored by then representative Hon. Ricardo Paras, Jr. separated the subprovince of Marinduque from Tayabas and re-established the former province of Marinduque. That Law was signed by American Governor Francis Burton Harrison.

After the separation of Marinduque from Tayabas, the governor worked on the separation of the Division of Marinduque from the cluster divisions. He wrote a letter to Hon. Bernard Moses, Secretary of Public Instruction, requesting to separate the Division of Marinduque from the Division of Masbate, Romblon and Mindoro with headquarters in Romblon -under the administration of H. G. Sequier. The letter was approved by the Secretary of Public Instruction on November 22, 1920 making this the founding date of the Schools Division of Marinduque.

When the Rationalization Program was implemented in 2015, the Schools Division Office of Marinduque appointed officials and employees based on the rationalized organizational structure where the Office is composed of the Office of the Schools Division Superintendent (OSDS) and two functional divisions: Curriculum Implementation Division (CID) and School Governance and Operations Division (SGOD).

Each office and division has functional units/sections responsible for specific work assigned to them.

The OSDS has four units: Finance, Legal, Administrative, and Information and Communication Technology. Finance has two sections: budget and accounting sections. Administrative Unit has five sections: general services, cash, property and supply, personnel, and records.

The Curriculum Implementation Division has three functional sections: instructional management, learning resource management and district instructional supervision.

The School Governance and Operations Division has seven sections: school management, monitoring and evaluation, social mobilization and networking, planning and research, human resource development, education facilities, school health, and youth formation. It has already been a long journey for the Schools Division in providing basic education services for Marinduqueño learners.

With the emerging trends in education and buzz in technology and globalization, the Schools Division of Marinduque is committed to provide effective, efficient and resilient basic education services with high sense of integrity, competence and diligence. It is dedicated to uphold to its mantra: Lead to Excel, Excel to Lead.
