SUBJECT: Conduct a Public Program at schools

Dear DR. MENDOZA:

With our commitment to providing dynamic museum educational activities and services that are accessible to everyone, we will be conducting the **"Kaalaman at Pamana: A Community Learning and Heritage Experience."** The successful implementation of this activity in several schools last year encourages us to continue this endeavor again this year.

The activity consists of a museum orientation, a special guided tour of our collections through visual materials, and a short Q&A which will run for a maximum of three hours.

In line with this and in support of the UN's Sustainable Development Goals 4 – Quality Education, we are asking for your endorsement to conduct this activity in selected schools in the municipalities of Mogpog, Gasan, Buenavista, Santa Cruz, and Torrijos. The initially identified schools are as follows:

Gasan	Mogpog	Buenavista	Santa Cruz	Torrijos
Marinduque Midwest College (February 2026)	Marinduque Academy Inc. (April 2026)	Marinduque Victorians College (June 2026)	Landy National High School (August 2026) Santa Cruz Institute (August 2026)	Matuyatuya National High School (November 2026)

**The list may change depending on the availability of the identified schools and/or the museum and possible requests from other schools*

For further details of this activity, you may contact us thru 09190779858 (office) / 09053648125 (Marco) or email us at marinduqueromblon@nationalmuseum.gov.ph

We are looking forward to another year of raising awareness on the importance of cultural conservation and preservation.

Very truly yours,
