All Others Concerned

1. In support of the established scholarship selection standards outlined in Memorandum DM-OULS-2026-018 titled "*Guidelines on Ensuring Effective Management of NEAP Scholarship Processes*," and with reference to Division Memorandum No. 036, s. 2026 titled "*Establishment of Pool of Potential Scholars in the Department of Education - Schools Division of Marinduque*," this Office, through the Division Human Resource Development Committee – Division Scholarship Committee, announces the composition of the **Pool of Potential Scholars in the Department of Education – Schools Division of Marinduque**.
2. The Pool shall serve as an immediate reference for calls for nominations to both local and international scholarship programs, particularly those disseminated one week or less before the submission deadline. Through this mechanism, the Schools Division Office may facilitate the timely identification and endorsement of qualified personnel for various scholarship opportunities, training grants, and professional development programs.
3. Inclusion in the Pool, however, shall not automatically guarantee nomination or endorsement to any scholarship program. All potential nominees shall still undergo evaluation and deliberation by the Division Scholarship Committee based on the qualifications, eligibility requirements, relevance of the program to the personnel's duties and responsibilities, availability of supporting documents, and other existing policies and guidelines. Final approval and endorsement of nominations shall remain subject to the discretion of the Schools Division Superintendent.
4. A potential scholar identified as qualified for a particular scholarship program shall be contacted by the Division Human Resource Development Committee – Division Scholarship Committee Secretariat for the preparation and submission of additional documentary requirements, if any.
