**Enclosure 1**

**GUIDELINES ON THE IMPLEMENTATION OF *BRIGADA ESKWELA*  
FOR SY 2026-2027**

**RATIONALE**

*Brigada Eskwela*, the Department of Education's (DepEd) flagship program, embodies *bayanihan* by mobilizing teachers, learners, parents, communities, and stakeholders to prepare schools for a successful school year. For School Year 2026–2027, the program focuses on improving school infrastructure and strengthening literacy. Implementation follows a structured approach through three stages: (1) **pre-implementation** (planning and preparation), (2) **implementation** (conduct of activities and volunteer engagement), and (3) **post-implementation** (monitoring, evaluation, and documentation). Aligned with DepEd Order No. 009, s. 2026 on the Three-Term School Calendar and the DepEd's 5-point agenda for a supportive learning environment and learner well-being, these guidelines set the scope and outline monitoring and evaluation mechanisms. They also provide a clear framework to ensure the effective, organized, and sustainable nationwide implementation of *Brigada Eskwela*.

**A. PRE-IMPLEMENTATION STAGE** (2-3 months before the *Brigada Eskwela* Week)

To prepare for the implementation of the *Brigada Eskwela*, schools shall be guided by the following:

**1. Assessment of Physical Facilities, Maintenance Needs and Learning Areas of the School**

Before the implementation of *Brigada Eskwela*, the School Facilities Coordinator shall conduct a comprehensive assessment of all school infrastructure to determine readiness for the opening of classes. This shall include identifying facilities that require repair, retrofitting, upgrading, or replacement, with emphasis on structural stability, safety compliance, and disaster resilience. Classrooms, offices, libraries, laboratories, water and sanitation facilities, electrical systems, roofs, drainage, and perimeter fences shall be inspected to ensure they are safe, functional, and capable of withstanding hazards such as typhoons, earthquakes, flooding, and fire.

All identified needs shall be reflected in the School Preparedness Checklist (Attached **Annex A**), prioritized based on urgency and their impact on teaching and learning, and addressed through recommended next steps, particularly for categories marked as “not prepared,” with assistance from DepEd Engineers, the School Watching Team (SWT), and Parent-Teacher Association (PTA) officers and members when necessary. Moreover, schools shall also assess the status, adequacy, and safety of bookshelves, libraries, reading corners, and other literacy support spaces to ensure that these are conducive to learning, and may conduct a reading readiness needs assessment to identify learners requiring early literacy interventions.

Other requirements necessary to ensure safe, inclusive, and resilient school operations shall likewise be identified to guide *Brigada Eskwela* planning and resource mobilization.

## **2. Compliance with the Absolute Prohibition on Solicitation**

School heads, teachers, and other school personnel are strictly prohibited from soliciting or collecting any form of contribution including, but not limited to, *Brigada Eskwela* fees from parents or legal guardians, volunteers, partners, and stakeholders. The *Brigada Eskwela* activities shall focus on voluntary work and participation to ensure that schools are adequately prepared for the upcoming school year.

The identified school requirements shall be used by the Central, Regional, and Schools Division Offices to advocate for the support needed by the schools. The proposed *Brigada Eskwela* packages for the clean-up drive and minor repair works can also be presented to stakeholders for reference and guidance.

## **3. Compliance with Existing Prohibitions on Certain Partnerships**

All DepEd Offices and schools shall strictly observe the prohibition on partnering with, accepting donations or sponsorships from industries that present conflicts of interest, such as, but not limited to, the tobacco, breast milk substitutes, and alcoholic beverage industries, in support of DepEd's commitment to promote healthy learning environments in schools.
