DR. LYN G. MENDOZA

OIC-Schools Division Superintendent
Department of Education
Division of Marinduque

SUBJECT: Invitation to Boac DRRM 2026 Summit: "Ligtas at Panatag na Paaralan"

Dear Dr. Mendoza:

Warm greetings!

In solidarity with the nationwide celebration of the National Disaster Resilience Month (NDRM) this July 2026, the Municipality of Boac, spearheaded by the Local Disaster Risk Reduction and Management Office, is organizing a specialized Disaster Risk Reduction and Management (DRRM) Summit entitled "Ligtas at Panatag na Paaralan." This event is scheduled to take place on July 21, 2026, from 8:00 AM to 5:00 PM, at Rojaz Event's Place, Barangay Santol, Boac, Marinduque.

This year's NDRM theme emphasizes building a safer and more adaptive nation. Aligned with this vision, our summit aims to expand the definition of "resilience" within the school community—encompassing not only natural disaster preparedness but also social, legal, and behavioral safety nets essential for protecting Marinduqueño learners.

To achieve this, the summit will focus on the following key areas:

Focus Area & Subject Matter	Resource Agency / Speaker
Current Preparedness of Schools: Assessment of existing school safety mechanisms and localized DRRM baselines	Department of Education (DepEd)
The "Safer School Zones" Framework: Institutionalizing safety measures under the DILG's Safer Cities and Safer Communities Initiative	Municipal Local Government Operations Officer (MLGOO)
Youth Protection & Rehabilitation: The current situation of Children in Conflict with the Law (CICL) in Boac and available institutional intervention programs.	Municipal Social Welfare and Development Office (MSWDO)
Campus Drug Abuse Prevention: Strategies for maintaining drug-free school grounds and empowering student awareness	Philippine Drug Enforcement Agency (PDEA)
Cybersecurity in the Digital Campus: Shielding learners from online threats, cyberbullying, and digital vulnerabilities	Department of Information and Communications Technology (DICT)
School Healthcare & First Response: Deconstructing Mental Health & Psychosocial Support (MHPSS), Water, Sanitation, and Hygiene (WASH) standards, and Basic Life Support-Standard First Aid (BLS-SFA) orientation	Municipal Health Office (MHO)
Tactical Campus Security: Law enforcement protocols on managing, de-escalating, and handling hostile situations	Philippine National Police (PNP)

Comprehensive Fire Safety: Fire prevention mechanisms, evacuation protocols, and basic fire suppression techniques	Bureau of Fire Protection (BFP)
Youth Vulnerability and Security: Countering Recruitment and Radicalization in the Academe	National Intelligence Coordinating Agency (NICA)
Incident Command System (ICS) & Personal Resilience: Establishing school-based command structures during crises and institutionalizing the "Emergency Go BAG" culture	Local Disaster Risk Reduction and Management Office (LDRRMO)
Application & Synthesis: Collaborative Simulation Exercises, Scenario Walkthroughs, and an Open Forum	All Participating Agencies & Delegates

Recognizing that a truly resilient school environment requires a collaborative ecosystem, the leadership of school administrators, the holistic support of guidance counselors, and the active partnership of parents are all equally indispensable.

In line with this, we respectfully request endorsement and permission from your good office to invite the following representatives from the public schools across the Boac North and Boac South Districts to participate in this NDRM 2026 event:

1. **School Heads / Principals**
2. **School Guidance Counselors (or designated Guidance Teachers)**
3. **School PTA Presidents**
4. **School DRRM Officer/Focal Person**
5. **Schools Division DRRM Coordinator**
6. **Boac North District Supervisor or Representative**
7. **Boac South District Supervisor or Representative**
8. **Alternative Learning System Head**

Meals and certificates for the participants will be provided by our office, while travel expenses may be charged against local school funds subject to the usual accounting and auditing rules.

We have attached the tentative program of activities for your reference. For any questions or confirmations, your secretariat may reach out to **0960-585-8800** or via email at **boacmdrrmo@gmail.com**.

We highly value the continuous partnership of DepEd Marinduque in championing disaster risk reduction and school safety, and we look forward to a favorable response to this request.

Thank you very much, and more power!

Sincerely yours,

ARMIDC. CARRION
Municipal Mayor
Chairperson, MDRRMC
