Dear Dr. Mendoza,

In line with our on-going Healthy Learning Institutions program implementation and part of our Monitoring and Evaluation activity of our implementing Last Mile Elementary Schools across the province, we will be continuing the on-going monitoring for the remaining Last Mile Elementary Schools done with their program implementation. This activity will ensure consistent implementation of their programs and activities aligned in their Work and Financial Plans.

This monitoring activity also aims to provide our LMES Heads the necessary assistance in accomplishing their Self Appraisal Checklist as required by the DOH in recognizing their schools as Healthy Learning Institutions. In line with this we would like to ask your **HLI focal person and school nurses as members of the monitoring team** to join us in this activity on **August 11 – 13, 2026** for Hinapulan ES, Binunga ES and Canat ES; **August 18 – 20, 2026** in Tabionan ES, Bacong-Bacong ES, Bicas-Bicas ES and Bagacay ES; **August 25 – 27, 2026**, Kalangkang ES, Tambangan ES, Payanas ES and Sibuyao ES.

We hope for your positive response to this request. Thank you for your continued support to our health programs.

Very truly yours,

ROMINA P. VICTORIA, MD.
