Dear Dr. Mallari,

Warm greetings!

As part of the continuous implementation and monitoring of the Healthy Learning Institutions program, we are currently moving into the crucial phase of validating the uploaded Self Appraisal Checklist (SAC) and Means of Verification (MOVs) submitted by our Last Mile Elementary Schools to be endorsed by the Schools Division Office to the DOH, Center for Health Development Office MIMAROPA before October 23, 2026.

In line with this, we would like to request the school heads from the **following Last Mile Elementary Schools** together with the DepEd HLI core group and School Nurses to help in facilitating a meeting with the Provincial DOH Office to address issues concerning the SAC Form and its corresponding MOVs. The primary objectives of this meeting are to:

1. Discuss and present the updated SAC and MOVs;
2. Correct mis-tagging of MOVs during the initial review of submitted SAC and MOVs;
3. Provide technical assistance to ensure compliance to the timeline and Updated SAC Form across all target schools.

In line with this activity we would also like to ask for your permission if we can use your SDO **Conference Hall on October 14, 2026** regarding the said activities.

Thank you for your unwavering support, leadership, and dedication in uplifting our Last Mile Schools and promoting learner's health and safety in the province.

Sincerely,

ROMINA P. VICTORIA, MD.
