SUBJECT: PREPARATION OF NOMINATED SCHOOLS FOR THE INTER-REGIONAL VALIDATION OF DELIVERED LEARNING RESOURCES

DATE: October 13, 2026

1. In reference to the BLR Memorandum BLR-2026-09-2645 dated October 5, 2026, this Office through the Curriculum Implementation Division-Learning Resource Management Section, informs the concerned schools of their nomination as possible sites for the Inter-Regional Monitoring and Validation of Inventory and Delivery of Learning Resources under Project VALID-LR. The activity covers delivered learning resources, including text and non-text-based resources and learning tools and equipment. The Bureau of Learning Resources memorandum identifies Marinduque as one of the divisions to be monitored under Region IV-B, with Region VI as the monitoring team for the November 10-13, 2026 deployment.
2. For preparatory purposes, eighteen (18) schools are nominated across school classifications/types and size categories. During the actual conduct of monitoring, however, the Central Office and Region VI monitors will select only six (6) schools for actual validation: one (1) school from each of the five (5) school classification/type categories listed below, plus one (1) GIDA school. Accordingly, nomination does not automatically mean that a school will be visited.
3. All eighteen (18) nominated schools are therefore directed to remain ready for possible selection and validation. School heads shall ensure that relevant records and supporting documents on receipt, inventory, storage, distribution, and utilization of delivered learning resources are organized and accessible, and that actual learning resources and storage/distribution arrangements can be presented to the monitoring team when requested.

4. An orientation for all eighteen (18) nominated schools shall be conducted on October 19, 2026 at 9:00 AM via Microsoft Teams. All concerned school heads and designated school representatives are requested to attend. The Microsoft Teams meeting link will be sent thirty (30) minutes before the start of the orientation.

5. Because the final six (6) schools will be chosen by the monitoring team during the actual conduct of the activity, all nominated schools shall maintain readiness throughout the scheduled validation period and await further coordination from the Schools Division Office regarding the actual selected schools and their logistical arrangements.

6. Immediate dissemination and strict compliance with this Memorandum are enjoined.
