MIMAROPA REGION

DEPARTMENT OF EDUCATION
RECORDS SECTION, REGIONAL OFFICE NO. IV
5456
By: _____ Date: 11/6/25

Office of the Regional Director

REGIONAL MEMORANDUM
PPRD-2026-027

TO : **SCHOOLS DIVISION SUPERINTENDENTS**
SENIOR EDUCATION PROGRAM SPECIALISTS FOR RESEARCH
PUBLIC ELEMENTARY AND SECONDARY SCHOOL HEADS
ALL OTHERS CONCERNED

FROM : **RONNIE S. MALLARI, PhD, CESO III**
Regional Director

SUBJECT : **CALL FOR RESEARCH AND INNOVATION PROPOSALS UNDER THE DEPARTMENT OF ECONOMY, PLANNING, AND DEVELOPMENT (DEPDEV) AND DEPARTMENT OF SCIENCE AND TECHNOLOGY – PHILIPPINE COUNCIL FOR INDUSTRY, ENERGY AND EMERGING TECHNOLOGY RESEARCH AND DEVELOPMENT (DOST-PCIEERD)**

DATE : **November 4, 2026**

1. In line with the DepEd MIMAROPA Regional Office 4-Point Reform Agenda, "One MIMAROPA: Innovative, Automated, Partner-driven, Result-oriented," and pursuit of fostering a culture of evidence-based decision making and innovation practices, this Office, through the Policy, Planning and Research Division (PPRD), invites Schools Division Offices (SDOs) and schools to submit research and innovation proposals for external funding from Department of Economy, Planning and Development (DEPDev) and the Department of Science and Technology -Philippine Council for Industry, Energy and Emerging Technology Research and Development (DOST-PCIEERD).

2. Interested proponents are encouraged to develop and submit proposals aligned with the priority research and innovation agenda of the Department of Education and the development goals of the region.

3. The two funding windows differ in what they support:
   - **DEPDev 2026 Innovation Grants** fund innovation programs, activities, and projects (PAPs) under four types: pre-commercialization, commercialization, or diffusion; innovation facilities and services; innovation culture promotion and capacity-building; and innovation policy and administration. They do not fund research studies or theses and dissertations. Research may appear only as a supporting component, such as market research, surveys, and performance tests. Proposals are submitted through the Electronic Innovation

Grants Information System (EIGIS). You may access the following link for further details: https://depdev.gov.ph/2026innovationgrants/

- **DOST-PCIEERD HRDP for 2027** supports the development of Filipino research and development capabilities of academic and research institutions through degree programs, research activities, and expert mobility. Proposals must fall within PCIEERD priority areas in the industry, energy, and emerging technology sectors, and are submitted through the DOST online proposal system, not directly to PCIEERD. You may access the following link for further details:https://pcieerd.dost.gov.ph/work-with-us/dost-pcieerd-human-resources-development-program-hrdp-for-2027-funding-cfp/

4. Each proposal shall show how it advances the four reform points:
   Innovative: a new or improved product, service, approach, or technology.
   Automated: digital service platforms, AI-enabled service delivery, and other automation of regional and school services.
   Partner-driven: committed partners, including a private partner for commercialization.
   Result-oriented: measurable outcomes, with a feasible, sustainable, and scalable plan.

5. Proponents shall meet the eligibility requirements of the chosen window, including alignment with national and regional plans, no duplication of ongoing publicly funded work, and clearance from accountabilities under prior grants. Double funding is prohibited.

6. Draft proposals shall be submitted to the PPRD for regional screening and endorsement on or before November 20, 2026.

7. For queries, please contact the Policy, Planning and Research Division (PPRD) through email at **pprd.mimaroparegion@deped.gov.ph** or landline number **8634-4670**.

For information, guidance, and appropriate action.
