**Launching of Program Basa Baya Lahat Reading Camp (Brigada Pabasa) and Culminating Activity - Pandemic Edition**

**Guide on the Conduct of Reading Camp and Culminating Activity**

**I. Rationale**

The Modular Distance Learning – Print has given the learners an opportunity to see for themselves how lesson is carried out by reading the modules independently or with the help of their parents/Knowledge Source/ Learning Support Aids. For the independent readers, reading the concepts and understanding the skills being presented was a usual activity. On the other hand, struggling readers found the Modular Distance Learning- Print as a very challenging activity if not a stressful one.

In the absence of the standard reading assessment for SY 2020-2021, teachers still found that a number of their learners really struggled in reading. This finding was based on the results of the home visitation, validation of their previous year's reading performance, General Scholastic Average (GSA) on written assessments in the module and portfolio assessment. Despite the remediation activities given to these learners, still they need assistance in decoding and recognition and reading comprehension.

It is the goal of the Curriculum Implementation Division to equip the struggling readers with necessary literary skills that will aid them in learning the language and content areas. Their concerns are the utmost consideration in the conduct of Program Basa Baya Lahat Reading Camp and celebrate everyone's success in reading during the Culminating Activity.

**II. Objectives**

The main purpose of Program Basa Baya Lahat Reading Camp and Culminating Activity is to assist the struggling readers in acquiring necessary literary skills.

Specifically, the program aims to:

- a. guide the learners in decoding/ word recognition and reading comprehension;
- b. equip them with the reading skills needed in the next grade levels;
- c. increase the reading performance of the target learners; and
- d. celebrate success of the learners in terms of reading and the success of the school in implementing reading programs during this time of pandemic.

**III. Procedure**

1. Assess the learners' end of the year reading performance
2. Identify learners who will participate in the Reading Camp. Struggling readers will be the subject of the reading remediation activities during Reading Camp.
3. Submit School Reading Camp Proposal to the Schools Division Office (addressed to the SDS)
4. Orient parents/KS/LSAs regarding the conduct of the School Reading Camp
5. Hold Reading Camp

*"DepED Marinduque: Heart of the Philippines.  
Lead to Excel. Excel to Lead!"*

6. Assess the reading performance of the learners who participated in the Reading Camp
7. Hold School Reading Culminating Activity – Pandemic Edition

#### **IV. Monitoring and Evaluation**

The School Heads, Public Schools District Supervisors and Education Program Supervisors shall monitor the conduct of the Reading Camp under Program Basa Baya Lahat. Monitoring methods include observation on the conduct of the Reading Camp, interview with teachers/school heads and validate assessment results through individualized or cluster reading assessment.
