To: Undersecretaries

1. The Department of Education (DepEd) upholds the right of every Filipino to quality basic education by providing access whether through public or private educational institutions. DepEd, pursuant to its constitutional mandate, maintains and supports a complete, adequate, and integrated system of education relevant to the needs of the people and society. As such, it exercises reasonable supervision and regulation of all educational institutions in the basic education sector.
2. The Department recognizes the complementary roles of public and private educational institutions in the educational system. In support thereof, DepEd implements several programs under the Government Assistance and Subsidies (GAS). Through said programs, the Department provides financial support to ensure that private education remains a viable option for learners. This contributes to the overall goal of improving access to quality basic education.
3. Given the unprecedented crisis brought about by the COVID-19 Pandemic, existing policies on private school regulation as well as guidelines on GAS programs must be reviewed, and if necessary, amended to remain relevant and responsive to the needs of private schools, learners, and teachers, in support of basic education continuity. The continuing COVID-19 Pandemic poses a significant challenge to the operations of private schools, and continued participation of schools, learners, and teachers in the GAS programs, namely: the Education Service Contracting (ESC) Program, Teachers' Salary Subsidy (TSS) Program, and Senior High School Voucher Program (SHS VP). In view thereof, DepEd Order (DO) No. 039, s. 2020 titled **Special Provisions on Private School Voluntary Closures and Participation in Government Assistance and Subsidies Programs in Light of the COVID-19 Pandemic (Amends Certain Provisions of DepEd Order No. 88, s. 2010)** was issued effective School Year (SY) 2020-2021.
4. Given the continuing effects of the COVID-19 Pandemic in the education sector, these special provisions are issued to amend pertinent provisions of DO 88, s. 2010 titled **2010 Revised Manual of Regulations for Private Schools in Basic Education** as amended by DO 11, s. 2011 titled **Amendments to the 2010 Revised Manual of Regulations for Private Schools in Basic Education** and existing issuances on the
