Dear Superintendent Mendoza:

Isang makakalikasang araw po sa inyo!

The Environmental Management Bureau MIMAROPA Region extends its gratitude to the Department of Education (DepEd) MIMAROPA for being a committed partner in the implementation of environmental laws towards the pursuit of sustainable development.

Republic Act No. 9512, otherwise known as the National Environmental Awareness and Education Act of 2008, mandates various government agencies to integrate environmental education in its school curricula at all levels, with topics encompassing environmental concepts and principles, environmental laws, state of international and local environment, local environmental best practices, and the threats of environmental degradation and its impact on human well-being, among others.

Part of the programs of EMB is the promotion of sustainability in educational institutions through the National Search for Most Sustainable and Eco-friendly Schools. This Office, through its Regional Environmental Education and Information Unit, will be conducting a two-session environmental event entitled "Seminar for Teachers: A Lecture Series on Eco-Friendly Schools" on 15-16 August 2023, 09:00am-04:00pm via Zoom platform.

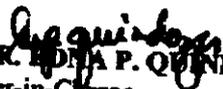

In this regard, may we respectfully request for you or your authorized representative to attend the Part 1 of our lecture series on 15 August 2023. Likewise, may we also request for the provision of (1) teacher representative per school from at least 10 educational institutions within your jurisdiction to attend the same. Details of the meeting are as follows:
