UP CIDS

Center for Integrative and
Development Studies

Education Research Program

November 3, 2023

Dear Director Nicolas T. Capalong,

Greetings!

The Center for Integrative and Development Studies (CIDS) is UP's unit that develops, organizes, and manages research issues of national significance. Included in its roster of programs is the Education Research Program (ERP) which conducts research on basic education.

For the past couple of years, ERP has been conducting research on various topics stemming from inquiry strands on language, multi-literacies and disinformation in education studies. Findings of these inquiries will be presented in an activity entitled "Sipat Edukasyon: An ERP Research Dissemination Forum" on November 20, 2023 (Monday), 9:30AM to 12:00PM via Zoom Webinar (Zoom room opens at 9:00 AM).

Four papers will be presented in plenary, each followed by an online forum to allow participants to further engage on the topics. The objectives of the forum are 1) to share education research output of ERP with various stakeholders, and 2) to generate discussions on the findings of the research to encourage future research.

In this regard, we would like to invite you and your colleagues to join us in the said forum. This event is free and is open to everyone. Kindly register at bit.ly/SipatEduk2023. Attached in this letter are the program for your reference. For questions, please contact Paulina Miranda erp.cids@up.edu.ph or psmiranda@up.edu.ph.

We look forward to seeing you there.

Sincerely,

(Sgd)
