**SUBJECT: Call for Applications: China-ASEAN Innovation and Entrepreneurship Competition**

**DATE: 3 January 2024**

We are pleased to announce that the 2023 China-ASEAN Innovation and Entrepreneurship Competition (CAIEC) is now open for application from 15 December 2023 – 15 February 2024.

To implement the Joint Initiative on Advancing the ASEAN-China Science, Technology, and Innovation Enhancing Program issued at the 26th ASEAN-China Summit, promote science, technology and innovation exchanges and cooperation between China and ASEAN Member States, enhance China-ASEAN regional innovation capacity, stimulate the vitality of innovation and entrepreneurship, and promote two-way exchanges of scientific and technological achievements, financial capital, talent team, information data, and other innovation factors. In collaboration with the ASEAN Secretariat, the Ministry of Science and Technology of the People's Republic of China will host the 2nd China-ASEAN Innovation and Entrepreneurship Competition.

This year's theme is "Digital Empowerment for a Shared Future".

The Competition is open to Science and technology authorities, universities, research institutions, science and technology parks, and business incubators. Competitors can participate as an enterprise group or a team group, but not both. Each group should have no less than 3 core members.

Interested participants are advised to visit the official website of the competition at [www.caiec.catic.org.cn](http://www.caiec.catic.org.cn) to download the registration form, and other relevant registration documents. You may send the documents to [caiec2022@vip.163.com](mailto:caiec2022@vip.163.com) and copy furnish this office at [itcu@dost.gov.ph](mailto:itcu@dost.gov.ph). For further information, please refer to the attached announcement circular and registration information.

Thank you.

## **Announcement of the 2<sup>nd</sup> China-ASEAN Innovation and Entrepreneurship Competition (CAIEC)**

12<sup>th</sup> December, 2023

To implement the *Joint Initiative on Advancing the ASEAN-China Science, Technology, and Innovation Enhancing Program* issued at the 26<sup>th</sup> ASEAN-China Summit, promote science, technology and innovation exchanges and cooperation between China and ASEAN Member States, enhance China-ASEAN regional innovation capacity, stimulate the vitality of innovation and entrepreneurship, and promote two-way exchanges of scientific and technological achievements, financial capital, talent team, information data, and other innovation factors. In collaboration with the ASEAN Secretariat, the Ministry of Science and Technology of the People's Republic of China will host the 2<sup>nd</sup> China-ASEAN Innovation and Entrepreneurship Competition (abbreviated as "the Competition"). The relevant information about the Competition is elaborated on in the following details.

### **I. Background**

The competition thoroughly carries out the spirit of the Special Summit to Commemorate the 30<sup>th</sup> Anniversary of China-ASEAN

Dialogue Relations and implement the China-ASEAN Science, Technology and Innovation Enhancing Program. It aims to promote the vigorous development of cooperation in science, technology and innovation between China and ASEAN Member States, establish a closer partnership of science, technology and innovation for future between China and ASEAN, and build a closer China-ASEAN community with a shared future.

## **II. Theme**
