REGIONAL MEMORANDUM

No. 43 s. 2024

DISSEMINATION OF IMPLEMENTED INNOVATIONS IN THE REGION

**TO: ASSISTANT REGIONAL DIRECTOR
SCHOOLS DIVISION SUPERINTENDENTS
CHIEF EDUCATION SUPERVISORS- RO AND SDO
EDUCATION PROGRAM SUPERVISORS- RO AND SDO
ALL OTHERS CONCERNED**

1. We are glad to unveil the inaugural phase of the regional initiative – Project BOTIKA (Bank Of Technical Assistance Interventions as Key to Achieving Academic Performance and Better School Management). This milestone marks the commencement of the project by disseminating the innovative practices implemented by Schools Division Offices (SDOs) personnel across the region.
2. This step plays a crucial role in fostering a culture of collaboration, sharing best practices, and promoting continuous improvement within our region. By showcasing successful initiatives, we not only celebrate the achievements of our innovators but also provide a roadmap for others to replicate and adapt these innovations in their own contexts. This collaborative spirit strengthens our collective commitment to delivering high-quality education and ensures that innovative solutions permeate every level of our educational system.
3. The Region encourages all SDOs to embrace the dissemination of implemented innovations as a catalyst for propelling our education system forward.
4. Regional Offices (ROs), Schools Division Offices (SDOs), and schools are urged to prioritize continuous innovation as it is crucial for instigating positive change, enhancing educational outcomes, and equipping teachers and students to navigate a dynamic and challenging future.
5. Attached is the List of Innovators as Enclosure 1, while the brochures of the implemented innovations are accessible through this link <https://tinyurl.com/Impinnoy>. This resource aims to inspire and guide further innovation across our educational landscape.
