MEMORANDUM
DM-CT-2024-121

TO : ALL REGIONAL DIRECTORS
SCHOOLS DIVISION SUPERINTENDENTS
DIVISION SNED SUPERVISOR/COORDINATORS
ALL OTHERS CONCERNED

FROM : ALMA RUBY C. TORIO
Assistant Secretary for Curriculum and Teaching
Officer-in-Charge
Office of the Undersecretary for Curriculum and Teaching

SUBJECT : MAPPING THE RECIPIENT SCHOOLS OF K TO 10
LEARNING RESOURCES (LRs) IN BRAILLE AND TACTILE
FORMAT COPIES

DATE : April 16, 2024

Accessible learning resources such as braille and tactile format copies for learners with blindness and severe vision loss are one of the priorities indicated in the 2023-2027 Roadmap for Learners with Disabilities, MATATAG Agenda - *Bansang Makabata, Batang Makabansa* and RA11650 *Instituting a Policy of Inclusion and Services for LWDs in Support of Inclusive Education Act*.

The Bureau of Learning Resources-Production Division (BLR-PD) is in-charge for the conversion, production and distribution of K to 10 LR in braille and tactile format copies. The importance of baseline data contributes largely on the needs analysis for the accurate provisions of K to 10 LR for these types of learners.

This Office is planning to decentralize the conversion and production of K to 10 LR in braille and tactile format copies for timely distribution. Currently, the enrollment for learners with visual impairment in the Learners Information System (LIS) of Planning Service-Education Management Information System Division (PS-EMISD) is too broad to be the basis of the needs analysis. And there is no available enrollment data particularly for learners with blindness and severe vision loss who are the intended user of braille books and tactile materials.

Relative thereto, this Office targets to identify the recipient schools of K to 10 LR in braille and tactile format copies.

For easy submission and monitoring, all concerned are advised to use the template (See Annex A) and submit the accomplished template in this link: https://bit.ly/Mapping_Blind_Learners
