DR. NICOLAS T. CAPULONG
Regional Director
DepEd MIMAROPA Region

Dear RD Capulong,

We hope that this letter finds you well.

We would like to thank you for sending us the list of schools that possibly can pilot MATATAG-aligned contents of Khan Academy this coming School Year 2024-2025. To validate if the schools have met the technological requirements as well as establish rapport with the PSDSs, Math EPSs, and school heads, we will conduct school verification on June 24 to 26, 2024. Attached herewith is our suggested itinerary.

In line with this, we would like to request that a SDO (Math EPS, PSDS or Division IT Officer) or RO personnel accompany us in going to the schools so that verification will be swift and more efficient. Schools need not prepare anything such as program, lay, food, etc. We only expect to stay 20-30 minutes per school where we will do the following:

| What we will check | What we will ask | Who we are expecting to be in school |
|--|---|---|
| <ul style="list-style-type: none"> • Strong internet connectivity (at least 100 Mbps) • 1 device per student user (in computer lab or wherever they will do Khan) • Eager administrators and teachers | <ul style="list-style-type: none"> • Grade level and number of sections that will join the pilot (Choices: Grades 1, 4, 5, and 7) • Number of teachers for training | <ul style="list-style-type: none"> • Principal or Asst. Principal or Grade level head <i>Optional:</i> • School ICT focal person |

May we also request that the devices (PCs, laptops, tablets, etc.) in the computer lab are turned on during the day of the visit so that when the verification team arrived, they can easily check the internet speed.

Thank you for your time and consideration. Should you have any questions or need further clarification, please feel free to reach out to us. We eagerly await your feedback.

Best regards,
