1. The Schools Division of Marinduque has conducted a series of trainings for Kinder, Grades 1, 4, 7 teachers on the MATATAG Curriculum from April to May 2024. to prepare them for the first year of implementation of the MATATAG Curriculum for SY 2024-2025. However, not all teachers were trained in all the learning areas they were handling at a particular grade level as a result of the survey conducted in June 2024. In addition, teachers are expected to teach with competence and confidence in other learning areas other than the subject in which they were trained in support of the MATATAG Agenda of giving support to teachers to teach better. In this light and in accordance to the MATATAG Agenda, a Division Training on the Walkthrough of the MATATAG Curriculum and Unpacking of Learning Competencies in Science shall be conducted on July 24, 2024, at Mogpog Central School, Mogpog, Marinduque.

2. Participants to this activity are the untrained Grade 4 and Grade 7 teachers in Science MATATAG Curriculum. They are requested to bring with them the MATATAG Curriculum Guide in Science as well as their own food provisions for the one-day training.
