For us to facilitate these upcoming activities properly, we would like to remind the following:

1. Principal of each school must accomplish the Expression of Interest Form and Confirmation of Terms of Use for the Khan Academy Philippines that can be accessed in this link: [www.bit.ly/KAPH-Y2-EOI](http://www.bit.ly/KAPH-Y2-EOI). Deadline of submission is on September 5.
2. Teacher-implementers who will attend the **face-to-face training** need to pre-register in this link: [www.bit.ly/khan4breg](http://www.bit.ly/khan4breg). Deadline for registration is on September 10.

For the face-to-face training of teacher-implementers, **may we request a venue within the indicated SDOs** that can accommodate at least 100 pax of teachers, and if possible, with strong internet connection. Please advise the participants to bring their own device (preferably laptop) and backup internet connection. Teachers also need to bring their class list so we can roster the students in their Khan account. Khan Academy Philippines will provide training kits, am and pm snacks, and lunch.

Attached is the list of schools in your region that will be participating in Year 2 implementation. We hope that the schools and other target participants will be informed of these details so that we can smoothly conduct these activities with 100% participation of the Year 2 implementing schools.

Thank you very much for our continued fruitful partnership towards achieving better numeracy and literacy among our learners using world class edtech in our classrooms.

Should you have any questions or need further clarification, please feel free to reach out to us. May the Good Lord bless you always.

Best regards,
