**SUBJECT : CONSOLIDATION OF PISA SCIENCE PRE AND POST TEST  
RESULTS**

**DATE : January 8, 2025**

In preparation for the **2025 Programme for International Student Assessment (PISA)**, the Department of Education successfully conducted the PISA Science **Pre-Test** from **September 30 to October 11, 2024**, and the **Post-Test** from **December 6 to December 19, 2024**.

The assessment was administered using two modalities—either the Learning Management System (LMS) or the pen-and-paper modality, based on the schools' available resources and operational capacities. These assessments are critical in gauging learners' readiness for the upcoming international evaluation and in identifying areas for targeted interventions to enhance outcomes.

The PISA 2025 National Center has provided a prescribed template to streamline the consolidation and analysis of data. This template is designed to ensure uniformity and accuracy in reporting. You can access the template through this link: <https://tinyurl.com/Pre-Post-Test-Results-Template>.

Once the Pre-Test and Post-Test Results are completed, please upload the accomplished files to the respective links for your Schools Division:
