The LRPO and Stairway Child Protection e-learning course for Educators

What is the course about?

The course is specifically designed for educators in order for them to develop a deeper understanding of the various child protection concerns that their learners might face both offline and online. Specially crafted by the DepEd Learner Rights and Protection Office and Stairway Foundation, the course aims to empower educators to have the knowledge and tools to participate more in the protection of the children they work with.

How is the course delivered?

The course is **fully asynchronous and self-paced**, and thus, you can take the lessons at any time depending in your availability. The course contains short videos lessons, interactive content and resource links. There shall be no webinars.

Objectives of the Course

At the end of the course, participants are expected to;

1. Identify the various offline and online child protection concerns that learners might encounter.
2. Identify the various means these child protection concerns might be perpetrated.
3. Identify the various means of integrating Child Protection into their lessons.
4. Distinguish what DepEd policy and protocol should be applied for specific child protection concerns.
5. Be introduced to the various initiatives of DepEd in relation to child protection

Important details to remember:

1. Course starts on March 3 to April 6, 2025.
2. The course is credited with CPD points by the PRC Board of Teachers. Other professions will not be able to get CPD credits.
3. In the course completers survey, which you will complete towards the end of the course, ensure that the details you will enter corresponds to what is indicated in your current PRC License.
4. Please ensure that you finish the course completers survey on or before the course end date, as this is what we shall send to the PRC for successful course completers.

Technical Requirements:

- An internet connection –broadband wired or wireless (3G or 4G/LTE) minimum 5 to 10MBPs
- Speakers– built-in, headset or USB plug-in or wireless Bluetooth
- We recommend that you access this course using a desktop or laptop (Windows or Mac)
- Even though you will still be able to access the course via tablets or mobile phones, we highly recommend that you use desktops or laptops for an optimal user experience
- The quality of your Internet connection will also greatly affect your user experience.

Course Enrollment Guidelines
