SAFEGUARDING PROTOCOLS DURING CURRICULAR AND CO-CURRICULAR PROGRAMS

All curricular and co-curricular programs and activities, whether conducted inside or outside the school, shall have the following guidelines as the minimum protocols (template) to prevent abuse, violence, exploitation, discrimination, and other forms of abuse:

Safeguarding Guidelines for the Learners

The Department of Education (DepEd) is committed to the promotion of the best interest of the child in all decisions and actions involving children in accordance with DepEd Order No. 40, s. 2012 or the "DepEd Child Protection Policy" and other relevant issuances. DepEd is mandated to provide special protection to learners. Thus, all trips, activities, and events arranged by DepEd should be guided by well-crafted safeguarding guidelines in order to minimize risk, guarantee safe space, and ensure positive event or activity experience for all participants, organizers, and others who are involved in the event or activity. Further, through the safeguarding guidelines, appropriate preventive, protective, and remedial measures will be properly implemented.

Based on the foregoing, the following safeguarding guidelines shall be put in place before, during, and after the conduct of this activity in all identified venues and/or billeting centers.

I. Safe Interactions Before, During, and After the Activity

- A. Everyone shall ensure that respectful, non-violent, and non-sexualized interactions are done during the Event / Activity. This applies to:
1. adult participants to learner participants;
 2. adult participants to fellow adult participants;
 3. learner participants to fellow learner participants; and
 4. learner participants to adult participants.

The use of foul and vulgar language is prohibited.

- B. Adult participants are highly required to observe the following:
1. They are highly discouraged from sending a social media friend request or message to any child participant before, during, or after the activity.
 2. They should obtain informed consent from the child's parent or legal guardian or teacher before photographing or filming a child. The activity staff or the activity photographer/videographer must explain how the photograph or film will be used.

3. They must adhere to the two-adult rule: Two or more adults are required to supervise all activities where children are involved and present.
4. They should not spend time alone with a learner (one-on-one) or with learners away from others.
5. They should not share a room with one learner.
6. They should not engage in any form of inappropriate touching of learners.
7. They should not make sexually suggestive comments to a learner, even in fun.
8. They should not allow allegations made by a learner to go unchallenged, unrecorded, or not acted upon.
9. They should maintain a safe and appropriate distance from learners and young people.
10. They should ensure appropriate company with a learner or young person while in a car or other vehicle.
11. They should request written parental or official consent if activity organizers or partners are required to transport learners or young people.

C. As to the learner participants, the following shall be strictly observed;

1. If they receive a friend request or social media message from an adult participant who attended the activity, they are not obliged to accept or respond. They should tell their parents/guardians and/or their teacher about it.
2. They should always wear the activity identification cards.
3. They should use proper language when talking with other learners and adult participants.
4. They should never talk to other learners and adult participants privately and in secluded areas.
5. They are prohibited from bringing to the activity premises pornographic materials and dangerous chemicals and substances.

II. Activity's Presenters or Resource Persons

- A. Presenters or Resource Persons shall ensure that the visuals, words, and content presented in the Activity are age and developmentally appropriate, and follow the principles of non-discrimination, gender sensitivity, and inclusivity.
- B. Presenters will have to acknowledge the diversity of the activity participants and be sensitive about this.
- C. If a certain topic discusses violence or any potentially distressing content, a trigger warning shall be placed at the start of the presentation.
- D. Presenters shall also pay special attention to their language, ensuring that this is safe for learner participants.

III. Reporting Safeguarding Concerns during the Activity

- A. If a participant wishes to report a learner protection concern while the activity is ongoing, he or she may approach the Learner Rights and Protection (LRP) Desk.
- B. If a learner participant experiences distress or any protection concern during the Event/Activity, he/she may approach designated guidance counselors/designates or psychological first aid (PFA) providers present in the activity.

For any safeguarding concerns, please contact the Learner Rights and Protection Office – Learners Telesafe Contact Center Helpline at +639451759777 or at (02) 8632-1372. You may also approach any member of the activity’s designated LRP Desk or Technical Working Group.

ANNEX B

SAFEGUARDING GUIDELINES IN THE USE OF INFORMATION AND COMMUNICATIONS TECHNOLOGY AND SOCIAL MEDIA FOR LEARNERS AND DEPED PERSONNEL

I. Personal information of Learners

If a personal information of learners would be processed or used in the school or community learning center's official social media page, or by the school personnel, the social media manager or the school personnel concerned, with the authority from the school or community learning center head, or the school or community learning center head himself or herself shall:

- a. Secure first the written consent of the learner and his or her parent, guardian, or caregiver. For this purpose, the written consent may be obtained through electronic signatures; and
- b. The written consent must be attained prior to the processing of the personal information with the declaration of the purpose for which the same would be used. The written consent must indicate that the learner and his or her parent or guardian are aware of the time, place, and manner of the use of the personal information.

II. Sensitive Personal Information of Learners

As a general rule, sensitive personal information of learners shall not be processed or used by the social media manager and the school personnel, except with the authority of the school or community learning center head, and only in the following cases:

- a. The learners with his parents, guardians, or caregivers have given their written consent, specific to the purpose disclosed to him or her before the processing; and
- b. The processing of the same is provided for under existing laws, rules, and regulations, such as those stated under the Data Privacy Act.

At all times, sensitive personal information of learners should be handled with utmost care and shall be kept confidential.

III. Handling of Reports Received by the School Social Media Page

In the event that the official social media page of the school receives reports related to an alleged violation of the DepEd Child Protection Policy, or other relevant laws, rules, and regulations, the social media manager shall inform the Child Protection Committee of the school. The Child Protection Committee of the school shall act upon the report following the procedures stated under DepEd Order No. 40, s. 2012.

IV. Group Chats

As a general rule, group chats may not be used for communications regarding school matters between school personnel and learners. However, group chats may be used for communication if the following requirements are met:

- a. If there are no other practicable means for teachers to communicate with learners;
- b. The communication is regarding school matters; and
- c. The parents consented to the making of the group chat.

V. Private Communications with Learners

As a general rule, online private communications between school personnel and the learners are not allowed, except in the following cases:

- a. With the consent of the learner, and of his parents, guardian, or caregiver, strictly on school or academic-related matters; and
- b. When the DepEd personnel receives complaints from learners related to the alleged violation of child protection policy and other relevant laws, rules and regulations.

School personnel are prohibited from conducting direct-private communications with learners through phone calls, SMS, e-mail, and social media accounts to mutually protect the learners and school personnel from a possible child abuse or exploitation incident or false accusation thereof.

VI. Use of Video Conferencing Platforms

- a. Regardless of the video conferencing platform to be used, teachers shall ensure that the privacy and safety features of the video conferencing platform are enabled. When needed, teachers are encouraged to seek the assistance of the Information Technology Personnel of the school.
- b. Teachers shall ensure that the video conference meeting details are confidential and are only known to learners and their parents or guardians.
- c. Teachers may be required to open the learners' webcams during online classes. In line with this, teachers may encourage learners to use virtual backgrounds during the online class.¹
- d. Teachers and learners, including their immediate environment, shall ensure that their webcam feed shows appropriate and safe video and audio streams.
- e. Teachers shall not leave the learners on their own after the online synchronous class to ensure that there is continuous supervision while online.
- f. Before the online class may be recorded, teachers must first secure the consent of the learners. The recording shall only be used for academic purposes.
- g. Learners are prohibited from recording the online class without the consent of the teachers and his/her classmates.

¹ NPC Bulletin No. 16, Bullet No.5 under Dos for teachers. Privacy Dos and Don'ts for Online Learning in Public K-12 Classes.

VII. Behavior in Social Media and Video Conferencing Platforms

Learners, teachers, non-teaching personnel, parents, and guardians should be mindful of the following prohibited behaviors on the official social media page of the school and video conferencing platforms:

- a. Using obscene, profane, or vulgar language or any derogatory language regarding race, gender, religion, sexual orientation, citizenship, socio-economic status or ability;
- b. Making sexually explicit, suggestive, humiliating, or degrading comments;
- c. Exhibiting harassing, intimidating, or bullying behavior;
- d. Doing any form of verbal, sexual, or mental abuse;
- e. Posting/Presenting any material inappropriate for children; and
- f. Posting/Presenting any material promoting alcohol or illegal drugs.
