Officer in-charge

SUBJECT: **PROJECT LAUNCH OF THE DTI-TESDA MARINDUQUE SHARED SERVICE FACILITY FOR CREATIVE INDUSTRY**

DATE: March 3, 2025

1. The Department of Trade and Industry (DTI), in partnership with Technical Education and Skills Development Authority (TESDA) Provincial Training Center Marinduque, will conduct the Project Launch of the DTI-TESDA Shared Service Facility for Creative Industry on March 5, 2025, 9:00 AM at TESDA PTC Marinduque Hall, Barangay Gitnang Bayan, Mogpog, Marinduque.
2. This initiative signals a step forward innovation and skills development beneficial to teachers and students particularly the hands-on experience in 3D printing, plastic recycling, and digital fabrication.
3. Relative to this, the following ICT Teachers are enjoined to attend the said activity and are reminded to prepare an Action Plan on the Disruption of Classes to ensure the continuity of teaching and learning:
  - a. Jerome Mendoza – Marinduque NHS
  - b. Enrico Esplana – Landy NHS
  - c. Patrick Llamas – Balanacan NHS
4. Attached is a copy of the letter from TESDA for reference.
5. Please be guided accordingly.

**Subject:** Project Launch of the DTI-TESDA Marinduque Shared Service Facility for Creative Industry in Marinduque

Dear Ma'am,

Warm greetings from TESDA PTC Marinduque!

In partnership with the Department of Trade and Industry (DTI), TESDA PTC Marinduque is pleased to invite you and your esteemed office to the Project Launch of the DTI-TESDA Marinduque Shared Service Facility for Creative Industry on March 5, 2025, at 9:00 AM, at TESDA PTC Marinduque Hall, Barangay Gitnang Bayan, Mogpog, Marinduque.

This initiative marks a significant step toward advancing innovation, skills development, and entrepreneurship in the province, particularly in additive manufacturing and 3D printing technology. It is designed to benefit various sectors, including educators and students in the Technical-Vocational-Livelihood (TVL) and STEM tracks, by providing access to digital fabrication tools and training.

We believe this facility will help teachers and students gain hands-on experience in 3D printing, laser cutting, and plastic recycling, integrate digital fabrication into TVL and STEM subjects, promote entrepreneurship, and strengthen connections between schools and local industries.

The program will feature live demonstrations on operating 3D printers, laser cutting machines, and plastic shredders, as well as a self-paced tour of the adjacent show visualization room, showcasing 3D-printed products and creative works.

We would be honored by your presence, along with your DepEd representatives, particularly those handling TVL, ICT, and STEM programs. Kindly confirm your attendance on or before February 28, 2025, by contacting Mr. Norinel R. Pielago, Des. AO/SRTESSDS, at 0910-532-2415.

Thank you, and we hope to see you at this significant event.

Sincerely,

  
**LLENA EUGENIA P. MORENO**  
PTC Administrator

*Vision: To become a Center of Proficiency in the Creative Agriculture Sector that promotes inclusivity, gender equality, and empowerment responsive to the needs of the province.*

*Mission: To provide quality assured Technical Vocational Education and Training in the province through advanced technologies, sustainability, and collaboration for community growth and prosperity.*

**Sa TESDA,  
KayangKaya**
