**Dr. Lynn G. Mendoza**  
**Schools Division Superintendent of Marinduque**  
**Boac, Marinduque**

Dear Dr. Mendoza:

*Isang magiting na pagbati mula sa Ayala Foundation, Inc!*

As we approach the final phase of the ProFuturo project, set to conclude in June 2025, Ayala Foundation, Inc. and Fundacion ProFuturo remain committed to strengthening the sustainability of quality digital education in our partner schools.

One of the key strategies to ensure this is **community sensitization**, which fosters greater awareness, engagement, and ownership of the project among school leaders, teachers, and the broader education community guided by the ProFuturo Sustainability Framework.

Last 11-12 December 2024, we successfully convened the 2024 ProFuturo-Ayala Sustainability Conference, themed *Learning Reimagined: ProFuturo and the Future of Sustainable Digital Education*, at the Asian Institute of Management in Makati City. A key outcome of this event was the recognition that long-term success requires deeper community involvement through grassroots-driven and localized implementation strategy to sustaining digital education efforts.

Together with the selected educator-participants from the Torrijos district, I will facilitate the **district-Wide Community Sensitization for ProFuturo Sustainable Digital Education** to extend the impact of ProFuturo within their schools. This initiative aims to:

- Present the ProFuturo Sustainability Framework as a guiding principle for sustainability planning.
- Share key learnings on digital education and sustainability from the conference.
- Highlight best practices and experiences of schools implementing ProFuturo.
- Engage school leaders, teachers, and stakeholders in discussions on sustaining the project beyond 2025.
- Strengthen school and community ownership of digital education initiatives.

Could you please draft a memorandum giving permission for the **Public School District Supervisor, Principal, School Heads, ICT, Profuturo Coordinators and teacher champions** to attend the event on March 5, 2025 (8 AM - 5 PM)

Through this activity, we seek to empower educators with the skills, innovation, and collaborative vision needed to sustain digital education efforts in their respective communities.

For any questions or further clarifications, please feel free to contact me at **09101075508** or **arturopramiro@gmail.com** I will be glad to provide additional details and ensure seamless coordination.

We sincerely appreciate your continued support and look forward to your positive response.

Maraming salamat po!

Sincerely,
