Dear SDS Mendoza:

Greetings!

As we prepare for the summer implementation of mEducation from May 6 to June 13, 2025, we write to invite all participating teachers to attend a series of **online training sessions** in coordination with your SDO.

To tailor the sessions to teachers' prior experience with the program, we will be holding separate training tracks: one for teachers who have *previously implemented* mEducation and another for those who are *participating for the first time*. Returning teachers are required to attend only one half-day training session, while new teachers will be expected to attend two half-day sessions to ensure they are fully equipped for both baseline assessment and phone tutoring.

We request that all teachers register for their respective sessions in advance through this form: [bit.ly/Sum25Reg](https://bit.ly/Sum25Reg).

Below is the schedule of activities and corresponding Zoom details for each session:
